### **H1N1 Vaccine Now by Appointment**

Clear Creek Public and Environmental Health closed all walk-in vaccination clinics on January 11<sup>th</sup> and will now make vaccine available by appointment through the office of nursing services. The Public Health Director reports that to date more than 2,500 doses of the vaccine have been administered and that there is no longer a need to keep walk-in clinics open.

The vaccine is free and available to all who want to receive it. Vaccinations are administered at the Community Resource Center, 1531 Colorado Blvd, Idaho Springs. To make an appointment for an H1N1 vaccination, please call (303) 567-3147.
