**Response to Questions Received Regarding**

**Clear Creek County Request for Proposals**

***Clear Creek and Gilpin Counties – Transit Assessment and Planning Study***

One issue has been raised regarding the RFP that was posted on Clear Creek County's web page on Monday, May 8, 2017. The issue was internal inconsistencies within the posting. It related to the submission deadline.

**The correct deadline for submission of responses to this RFP is June 9, 2017, 4:30 PM.**

“June 9, 2017                      Responses to this RFP are due at the Clear Creek County Annex. RFP responses shall be submitted in bound form or securely stapled, with five (5) identical copies and one PDF or Microsoft Word formatted file.”

The above correction has been made to the document that is found online.

Consultants should submit a cover letter of intent and a full copy of their proposal to:

Jo Ann Sorensen, Clear Creek County Transportation Liaison  
Clear Creek County Annex  
P.O. Box 2000  
1111 Rose St.  
Georgetown, CO 80444

no later than **Friday, June 9, 2017, 4:30 PM.**

Thank you for your interest in this project.
