

CRISIS INTERVENTION SEMINAR

Wednesday, April 17, 8:00 – 10:00 AM

St. Paul's Parish Hall, 17th & Colorado Boulevard, Idaho Springs, CO

Attend a **Free Breakfast and Seminar** featuring a panel of professionals who will discuss crises intervention information for mental health, substance abuse and suicide prevention incidents, awareness and prevention. A small donation for breakfast is appreciated.

Please Pre-Register before April 15th:

Call 303-679-2386, or

Email Ltrenbeath@co.clear-creek.co.us

Expand your knowledge, and learn more about:

- Specially-trained Law Enforcement Officers and Crisis Intervention Teams
- The skills and special awareness needed to respond to a mental health, substance abuse and self-destructive behavior crisis
- Methods to detect, deal with, and de-escalate, complex and confusing situations

After learning about Crisis Intervention Teams, better understand:

- Why the rate of suicide for Veterans is so high
- How mental health issues, including PTSD, triggered by tragic events and losses, affect us all and further impact our service men and women
- What intervention methods are already under way

Speakers and Panelists

- **Sergeant Mitch Harper** - Lakewood Police Investigation Division and Crisis Intervention Officer
- **SFC Keith Byers** - Colorado Army National Guard Suicide Prevention Manager
- **Morris Burnham** - PhD, CACIII, Clinical Social Work, Substance Abuse Treatment Program, Veterans Hospital, Denver
- **George Clark** - CCC Veterans Coalition, Board Member of Jefferson Center for Mental Health

Sponsored by the Clear Creek Care2BAware Task Force, a program of:

**Clear Creek Public and Environmental Health,
Department of Health and Human Services
405 Argentine Street,
PO Box 2000, Georgetown, CO 80444
(303) 679-2386**
