Steps to volunteer for the Clear Creek Animal Response Team (CCART)

1.
Complete the IS 100b (Incident Command System) and IS 700a (National
Incident Management System) web classes through the
FEMA Emergency
Management Institute at http://training.fema.gov/is/. These classes prepare participants for understanding the framework under which animal response operates.

2. Complete the Colorado Animal Response Training along with the CO VMRC Application and the COVMRC Volunteer Release forms from the
Pet Aid Training website at http://www.petaidcolorado.org/?COVMRC. The seminar format for the
Training is approximately 6 hours in length. You may also do the courses via self-study by completing and submitting the module post-test. Topics include:

Colorado Veterinary Medical Reserve Corps (COVMRC)
Animal Response and Emergency Management
Animal Emergency Response Planning
Emergency Preparedness
Basic Sheltering
Health and Safety
Animal Behavior
Animal Handling
Euthanasia

Register with the Colorado Volunteer Mobilizer.
Any professional credentials will be verified and a background check completed.
